

CARE-ousel Therapeutic Riding

THE MANY BENEFITS OF EQUINE ASSISTED THERAPY
WE CAN HELP.

A generous donation
from you today will keep
smiles on the faces of
our students.

Children and adults face many long term challenges that can be physical, intellectual and emotional in nature. Many of these challenges are helped by equine assisted therapy or “Hippotherapy”.

Physical benefits are gained through the natural blend of the horse’s movement or gait and the human gait. Posture and muscle control are measurably improved.

Being responsible for another living being, students grow emotionally as they “attach” to their horse and look forward to the time they spend together.

Through hippotherapy students learn how to care for their horse. They learn to brush, feed, water, clean hooves, saddle and warm-up and cool-down the horse.

By caring for the horse’s physical needs students learn organizational skills, logic skills and skills that are necessary to keep any living being healthy.

THE CARE-ousel DIFFERENCE.

Therapeutic horseback riding is a special world that brings together horses, disabled children and adults with caring volunteers. In the process, the lives of everyone involved are enriched.

It combines the love of horses with rehabilitating therapy. Horseback riding is good for anyone seeking a fun and challenging path to physical and mental wellness.

Care-ousel's mission is been to provide therapy for children and adults challenged with physical and/or mental disabilities through the power of human-animal bonding. The unique relationships created through this process help to heal the body, mind and spirit. Therapy does have a positive affect on attitude and emotional well-being of our students.

FREQUENTLY ASKED QUESTIONS

Q Is CARE-ousel Therapeutic Riding a nonprofit organization?

A YES! We were founded in 2001 and maintain IRS nonprofit 501c3 status. Our tax ID number is 77-0208652. Donations to CARE-ousel may be tax deductible. Please consult a tax professional about your individual deductions.

Q What kind of programs does CARE-ousel offer?

A CARE-ousel offers individualized programs for children and adults. We also offer specialty Day Camps where students learn riding skills and horse care while interacting with others in a positive, healing, social environment.

Q Is your facility accredited?

A YES! CARE-ousel is a Premier Accredited Operating Center and a member of the NARHA - The *North American Riding for the Handicapped Association*. NARHA sets the guidelines and standards for safe and effective horseback riding for all disabilities. We follow these guidelines in all programs and operations.

Results matter...

"Care-ousel Therapeutic Riding is a wonderful non profit organization. Their instructor and their staff is very compassionate and professional and makes you feel as you are family. My child has made remarkable improvements in her speech, social skills, and listening techniques. This has been the most beneficial therapy my daughter has ever received and I can not say enough about this wonderful program. Thank you Kim for everything you do for my family as well as all the other children..."
